Stock Up for Academic Success with Free Microsoft 365 Apps

Word, PowerPoint, Excel, OneNote, and more...

...for your personal home computer or personal iPad.

Microsoft

Olathe Public Schools USD 233
Technology Division
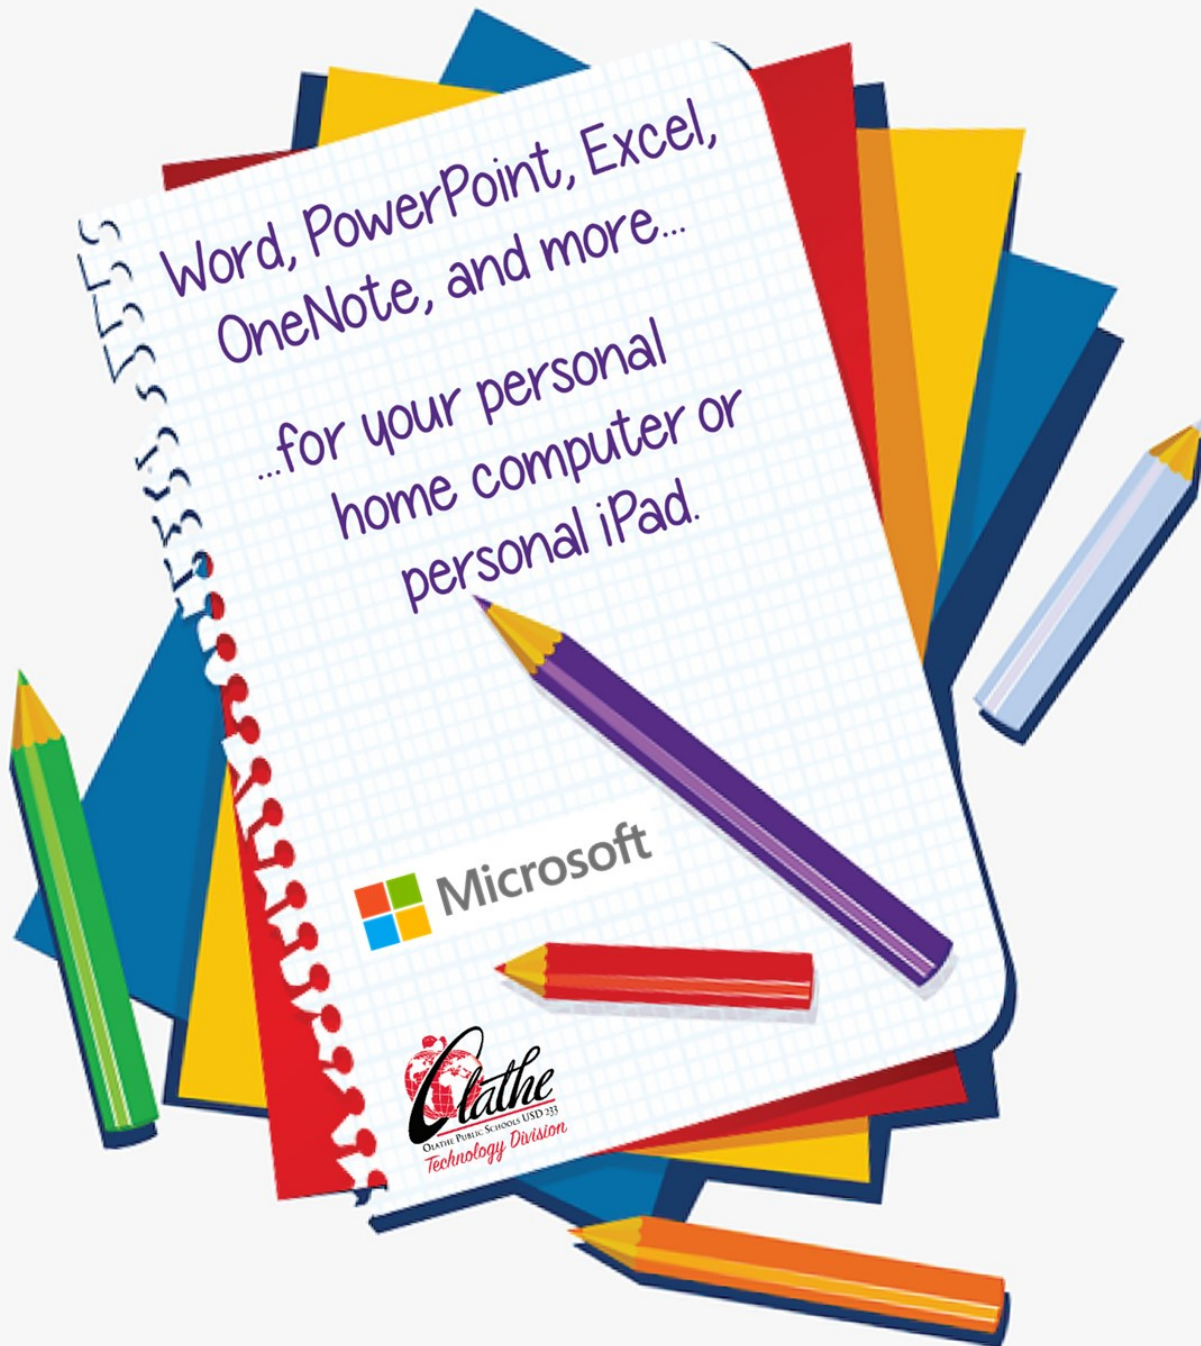

Instructions for installing Microsoft 365 on a *personal* home computer:

1. Visit www.Office.com

2. Enter your district login:
   NetworkID@stu.olatheschools.org
   NOTE: *This will NOT be your student's email address*

3. Enter your password
   (change your password if you are prompted to do so)

4. Click Install Office, then select Office 365 Apps

Instructions for installing Microsoft 365 Apps on a *personal* iPad:

1. Visit the App Store

2. Search for "Microsoft 365"

3. Tap Get to install Word, PowerPoint, Excel, and OneNote

Olathe Public Schools is pleased to offer this incentive to all students in the district. We regret we cannot provide support for home installation or any type of troubleshooting on a personal computer, tablet, or mobile device.
