

FRONTIER TRAIL SCHOOL SUPPLY LIST: 2025–2026

Please have your student bring their supplies on the first **full** day of instruction. If a specific item is needed throughout the year, teachers will communicate with you at a later time. Also, remember to double check your student's supplies after winter break, to ensure they have enough to make it the remainder of the year. If you are unable to get school supplies at this time, please reach out to our counselors for support. Thank you.
