

Raven Flight Corps (RFC)

Mrs. Paugh

Hour 5

Raven Flight Corps is a leadership class designed to increase school spirit and involvement. The chosen group of juniors and seniors (from the previous spring's application process) satisfies this need by planning school spirit assemblies, leading the student sections at games, making spirit signs throughout the school building and at events, updating RFC social media posts, and supporting the school's sports teams and activities.

Expectations:

- 1) Students will be engaged during class time. Homework, phones/computers (unless looking something up for the current conversation) should be put away during brainstorming, activities, and class discussions.
- 2) Students will refrain from side conversations during class discussion. All RFC members are encouraged to share ideas and concerns with the entire group.
- 3) Students will lead class activities as assigned.
- 4) Students will attend up to 2 mandatory events outside of the school day per week.
- 5) Students will be leaders of the school by being good role models and participants, when it is an RFC-required event and when it is not.
- 6) Students will communicate any concerns with the sponsor/teacher: date conflicts, conflicts within the group, student body pushback, or any additional frustrations.

Supplies:

There are some supplies that each student should be equipped with for RFC class.

- 1) Students each need a paint shirt to be left in the classroom for paint days. Usually paint days fall on block days, but some weeks there will be more required painting days.
- 2) Students also should provide some class supplies by Wednesday, Aug. 23.
Last names A-M should bring a package of at least 75 disposable plates for painting.
Last names N-Y should bring a pack of cleaning wipes (for paint clean up).
More supplies may be necessary as the school year progresses. Please reach out with concerns or if you need help acquiring materials.
- 3) Students will receive an RFC Activity pass courtesy of ONW so that they can attend all the required events for this class.
- 4) Students will receive an RFC shirt to wear for assembly and certain RFC- sponsored events.

RFC is an amazing experience, and I hope you will get as much from being a part of this elite group as I do leading it each year!
