Absences:

If your student will be absent:

1. Please call the Olathe Northwest High School to report your absence. (913-780-7150).
2. Please call DS Bus Lines to cancel your student's transportation for the day. (913-361-7400).

Lunch:

Students will have an hour for lunch/leisure time in the middle of their workday. Students have the option to order a lunch from school or to bring their own. Lunch time is a great opportunity for young adults to practice preparing their own food during their lunch break while at school. There is a refrigerator and microwave available if an item needs to be prepared or warmed up.

Supplies:

Students will be given an iPad to use that we will be keeping at school to ensure it is charged and available each day for the student. If you would like the iPad to go home with your student each day, please let me know and this can be arranged. No other supplies are required, but please send what you think your student will need to be successful at school (i.e., sensory fidgets, sound blocking headphones, etc.). Students will be storing items in lockers during the workday and taking a school-provided backpack to work sites.

Items we will need include:

- *Copy of guardianship papers if you are a court appointed guardian*
- *Name of outside agency targeted case manager, if you have one*
