
StudentVUE

Students can access **StudentVUE** three different ways. Students will need to use their **network username and password** (*New in 2020-21 school year*).

1. Via **ClassLink**- Log into **ClassLink** (using network username and password) <https://launchpad.classlink.com/olatheusd233> and click on the **StudentVUE app**

The first time you access StudentVUE through ClassLink, you will need to enter your **network username and password** and Save into the password locker:

This is a screenshot of a dialog box titled "Would you like to save your login?". It features the StudentVUE logo and the text "You can save your login for this application to auto login on your next visit". Below this, it says "Fields marked as * are required". There are two input fields: one for "Username" and one for "Password", both with an asterisk to their left. At the bottom left, there are two buttons: "Skip" and "Save".

Note: When you change your network password, you will need also need to update your Password Locker with the new network password.

2. Via **StudentVUE website**- Log in by going to: <https://studentvue.olatheschools.com/> and select **I am a Student**.

This is a screenshot of the StudentVUE website's login page. The title is "ParentVUE and StudentVUE Access". There are two main buttons: "I am a parent >" on the left, which has a parent and child icon, and "I am a student >" on the right, which has a group of three people icon.

Log in using your **network username and password**
