

Panther Football Camp 2019

Who: Boys entering 7th and 8th grade

What: 2019 Panther Football Camp

When: July 16th – July 18th from 5PM-7PM

Where: Pioneer Trail Football Field

***Students should come to camp in work out clothing (shorts and t-shirt). While the use of football cleats is not required it is preferred (they do not have to be new). Camp is a good time to get cleats broken in before the season. Football shoes must have plastic cleats, metal cleats are prohibited. Students can bring their own drinks if they desire, but water will be provided.**

How: Bottom of this sheet and \$25 dollars returned to Pioneer Trail Middle School by May 23rd. T-Shirt included. (Please make check payable to Mike Farr).

The purpose of this camp is to teach fundamental skills that can be practiced throughout the summer. The camp will be put on by the Pioneer Trail coaching staff. These skills will help all prospective players regardless of their previous experience with the game. In addition to daily fundamental work we will also begin to learn the offensive and defensive schemes that will be used throughout the season. It is our goal to create a positive experience for all of our prospective football players, as well as give them some tools to enhance their ability on the field. Along with our daily drills and agilities we will have some fun competitions as well. **This camp is a tremendous opportunity for anybody who is interested in playing football next year at the middle school level!**
