

Parent Connect

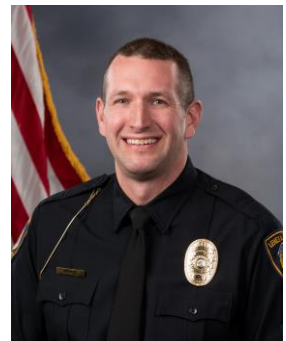

December 15, 2022 | 5:30 P.M.
VIRTUAL (ZOOM)

Join us for our Parent Connect series for information and learning opportunities from parenting experts and community presenters. Parent Connect focuses on families' strengths to help find solutions and encourage self-care.

Parent Connect is open to any parent/guardian living in Johnson County, Kansas. You do not have to be a client of Johnson County Mental Health Center (JCMHC) to attend.

Jessica Murphy, Deputy Division Director, will be joined by Jason Hinkle, Chair of the Kansas Law Enforcement CIT Council and Lenexa sergeant over co-responders, to present on mental health crises involving law enforcement. Parents will learn about the partnership between law enforcement, the mental health system, courts, individuals with mental illness and their families. Jessica and Jason will share about the CIT Council, training for officers, and the Johnson County co-responder program.
