Issues in Mental Health: A Family Speaker and Support Series

Navigating the Mental Health System: Prevention, Resiliency & Warning Signs

Tuesday, October 11, 2016

7:00 p.m.

Technology Support Center

14250 South Black Bob Rd.

Please join us for the opportunity to learn from an expert, ask questions, and network among a support system of parents.

Cecilia Ponce, LCSW is a Behavioral Health Consultant at Health Partnership Clinic in Olathe. She is also an adjunct professor at the University of Kansas School of Social Welfare. In addition, Ms. Ponce is an item writer for the Association of Social Work Boards Clinical exam.

Cecilia is originally from Los Angeles, CA and is bilingual and bicultural. She completed her BA at the University of Rochester and her MSW at Washington University in St. Louis. Ms. Ponce brings years of experience and knowledge related to the field of Mental Health and Wellness. She will share her knowledge of the typical early warning signs related to mental illness, the importance of prevention/early intervention, and how a consumer can successfully navigate the mental health system.

A committee of school staff and community partners have identified the most common dilemmas students and parents face. This quarterly speaker and support series aims to educate the Olathe Public School community, share connections to resources/agencies, and provide a forum for parents to create a network of support.
