Navigating the World of School—it can be hard for your student and even more difficult for you as a parent! The Olathe District Superintendents break down the best ways to help your child become involved and help you understand all of the wonderful resources schools have to offer. Spend an hour learning from and asking questions from our district's leading experts. This presentation is available in person, online, or to watch later on the Olathe Public Schools YouTube channel.

Please call 913-780-8111 should there be a need for interpretation services. Requests for interpretation services must be made by September 23rd.
