

Earn your bachelor's degree in Elementary Education from Emporia State without leaving the KC area!

With the ESU-KC program, you can begin your college journey at Johnson County Community College or Kansas City Kansas Community College, then continue earning your four-year elementary education degree at Emporia State's Overland Park campus.

You'll get to take advantage of our award-winning Teacher's College and be eligible for scholarship programs that will help you achieve your goals of becoming an educator and positively impacting the lives of students in your community.

We believe becoming a teacher should be affordable. And with so many scholarship opportunities available to you, the ESU-KC Elementary Education Program just makes sense.

	Per Year	Total
Kansas Teacher Service Scholarship	\$5,536	\$11,072

Total Scholarships	\$15,636	\$25,272
Average Degree Cost at ESU	\$9,000	\$18,000

Kansas Promise Scholarship | Created by the state legislature, this program offers you the opportunity to apply for a scholarship covering tuition, fees, books and required materials if you major in certain academic programs (including elementary education). This program applies to freshmen and sophomores at JCCC and KCKCC.

Presidential Transfer Scholarship | Awarded automatically after you transfer to Emporia State, this scholarship is based on your GPA and is renewable for a total of two academic years when you meet eligibility and renewal requirements.

Phi Theta Kappa (PTK) Scholarship | Awarded to active members of Phi Theta Kappa, this one-time scholarship is awarded as \$500 in the fall semester and \$500 in the spring semester after transferring to Emporia State with proof of membership.

Elberta Harris Scholarship | Receive \$2,000 per year for two years when you enroll in ESU's elementary education program and meet credit hour and GPA eligibility requirements. This opportunity is only for students that graduated from a Johnson County High School.

FAST Grant Scholarship | Speed up graduation by one semester, student teach in Kansas City Kansas Public Schools and receive a \$5,000 scholarship to finance your education with this opportunity.

Kansas Teacher Service Scholarship | Awarded through the State of Kansas, this program helps junior and senior college students by awarding financial assistance based on GPA and number of credit hours taken in exchange for working in underserved areas or disciplines (including elementary education) after graduation.
