

Attention 4th and 5th Graders: It's time to sign up for CSI

I am so excited to have you in Cool Science Investigations this year!

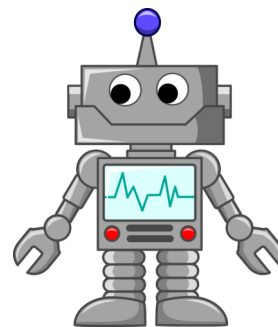

We will be meeting on Tuesdays: afterschool until 4:45 pm.

Rate the sessions below 1-3, 1 being your top choice!

Everyone will get into AT LEAST one session!

Then return this form to Mrs. Jankord by:

Friday, September 20th, 2019.

_____ Session 1: Coding and Robotics (Oct. 15th– Nov. 19th)

Explore how we can use robots (Spheros) to learn to code and solve problems.

_____ Session 2: Simply Science and Technology (Jan. 21– Feb. 25)

Students will explore a variety of hands-on experiences that involve Science and Technology. Each lesson will investigate a different question. Example: Can water go up a hill?

_____ Session 3: Makerspace and 3D Printing (Mar. 31– May 5)

Create and innovate in our new space! Parents will be required to approve students via email for them to have a TinkerCad account to use the 3D Printer (more info. closer to session).

Student First and Last Name: _____

Teacher Name: _____

Grade Level: _____

How will your child be going home: _____

Emergency Contact & Phone Number: _____
