PRE ACT

All Freshmen will take the Pre ACT, unless they register to take the PSAT on testing day. It gives students the chance to learn about pre-college assessments. There is no cost or sign up needed.

PRACTICE ACT

Many students will take the ACT as their entrance exam to get into college. The Practice ACT is a great way to prepare for the actual test. For the Practice ACT, Sophomores and Juniors are automatically enrolled as long as they have not registered to take the PSAT or ASVAB. This test is scored in district, and there is no cost to take it.

PSAT

The Preliminary Scholastic Aptitude Test is a good way to practice for the SAT, and it is a National Merit Qualifying Test (NMQT). It gives students the chance to enter NMQT scholarship programs and have access to college and career planning tools. Freshmen and Sophomores may take this test as practice, and Juniors can use it to be named as a possible NMQT candidate. **There is a cost of \$18 for this test.** Fee waivers are available to students who are on a Free/Reduced lunch plan. Please refer to the counseling website on how to register for the test: <https://www.olatheschools.org/Page/8760>. There is a flyer attached underneath the PSAT section on how to register.

Last day to register is September 18, 2019.

ASVAB

The Armed Forces Vocational Aptitude Battery (ASVAB) is a test that is available to Juniors and Seniors. It is for students interested in enlisting in the military, and the test will tell you what career you could potentially qualify for in a military branch of your choice. There is no cost to take the ASVAB, and it is only offered at **Olathe North**. **Students must provide own transportation.** To register for this test please sign up with Mrs. Peters in the counseling office.

Last day to register is October 3, 2019.
