Admission to the Kansas Board of Regents Universities

Qualified Admissions

The six state universities in Kansas--Emporia State University, Fort Hays State University, Kansas State University, Pittsburg State University, The University of Kansas, and Wichita State University--use the standards below, set by the Kansas Board of Regents, to review applicants for undergraduate admission.

ACCREDITED HIGH SCHOOL

Freshman applicants, under the age of 21, who graduate from an accredited high school, will be guaranteed admission to six state universities by meeting the Qualified Admissions requirements designated by each university, as follows:

ESU, PSU, FHSU, & WSU:

- Cumulative High School GPA 2.25+ or ACT 21+ (SAT 1060)*

K-State:

- Cumulative High School GPA 3.25+ or ACT 21+ (SAT 1060)*

KU:

- Cumulative High School GPA 3.25+
OR Cumulative GPA 2.0+ and ACT 21+ (SAT 1060)*

ALL Institutions Require:

- Cumulative GPA 2.0+ for College Credits earned in High School

KANSAS SCHOLARS CURRICULUM IS RECOMMENDED BUT NOT REQUIRED: To best prepare for the rigor of college-level courses, the Kansas Scholars curriculum is recommended.

NCAA Division I Full Qualifier:

Requirements for Athletics Aid, Practice and Competition

Students will need to meet the following requirements to receive **athletics aid**, **practice** and **compete** their first year:

- 16 core courses in the following areas:
 - 4 years English;
 - 3 years math at Algebra I level or higher;
 - 2 years natural or physical science (one lab if offered at any high school attended);
 - 1 year additional English, math or natural/physical science;
 - 2 years social science; and
 - 4 years additional from areas above or foreign language, philosophy or comparative religion.
- Minimum required GPA:
 - Minimum GPA of **2.300** in those 16 core courses.
- Graduate from high school.

**see Mrs. Etherton
with questions**

Grades in High School

- Semester grades are the only ones that appear on a student's transcript.
- The Grade Point Average (GPA) will be figured at the end of each semester and is cumulative; it will impact scholarship and admission decisions.
- Weighted credit is awarded in selective courses.

TEXT QUESTIONS TO (913) 912-3202

Weighted Grades

Weighted courses represent the most rigorous learning standards and content requiring the highest level of student performance and time commitment. The weighted grading system is used to determine academic student honors and distinctions.

The weighted grade formula is figured by using the standard grade point average and adding weighted value. The weighted value is computed by taking the number of weighted courses and dividing it by the number of semesters multiplied by seven: $\text{Weighted GPA} = (\text{GPA}) + (\# \text{ of Weighted Courses with grades of A, B, or C}) / 7(\# \text{ of semesters})$.

A weighted grade can be attained for the courses below by achieving class grades of A, B, or C. All courses on the list below have an equal weighted grade value:

- Honors Algebra II
- Adv. Biotechnology: Cellular & Molecular II
- AP Biology
- AP Calculus AB
- AP Calculus BC
- AP Chemistry
- AP Computer Science A
- AP Computer Science Principles
- AP English Language
- AP English Literature & Composition
- AP Environmental Science
- AP European History
- AP French V
- AP Music Theory
- AP Physics II
- AP Physics C
- AP Psychology
- AP Spanish V
- AP Statistics
- AP Studio Art: 2-D Design
- AP Studio Art: 3-D Design
- AP Studio Art: Drawing
- AP United States History
- AP US Government & Politics
- AP/College Physics I
- German IV
- Honors Advanced Debate
- Japanese IV
- Linear Algebra
- Multivariable Calculus
- Honors Biology
- Honors Chemistry
- Honors English 9
- Honors English 10

Advancement Via Individual Determination (AVID)

AVID is a nationwide program with a mission to **close the achievement gap** by preparing students for **college readiness and success in a global society**.

AVID targets students who are traditionally under-represented on college campuses.

Every high school in USD 233 has an AVID site license and offers a four-year AVID program of coursework. At Olathe North, AVID students are required to take advanced courses and encouraged to take the AVID elective class during each of their four years of high school.
