Keeping track of your points

As you complete health actions, points will be automatically applied and reflected in your Points Summary. Points for on-screen actions like reading an article or connecting a device will appear immediately, whereas other actions may take more time to update.

Points for doctor's visits, prescriptions, and lab results are linked to your Blue KC plan and will appear as your claims data is processed (within 30-60 days). Check your Points Summary at any time to confirm points awarded during your wellness program year.
