

TOUCHBASE | ONLINE PAYMENTS

Make payments online instead of sending cash and checks to school – pay for student fees, activities, & more!

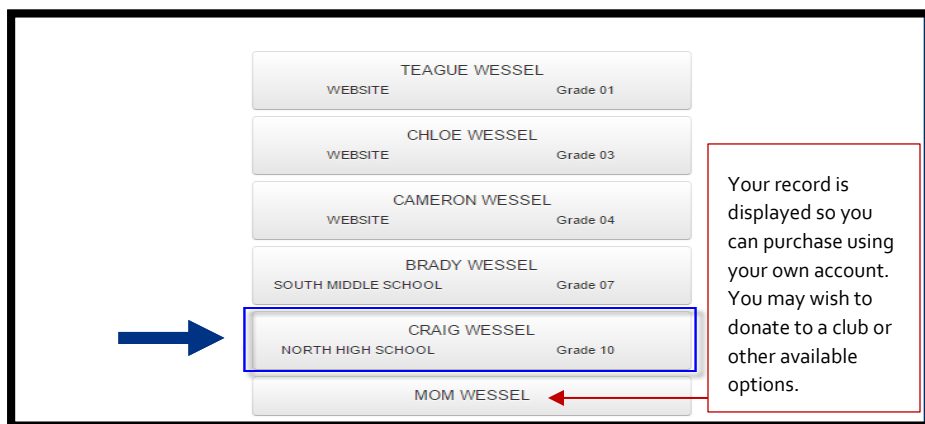

## NAVIGATING TOUCHBASE

Go to: <https://ks-olathe.intouchreceipting.com/>

See the “**Access Your TouchBase Account**” instructions for creating a TouchBase password. These instructions may also be used if there is ever a need to reset your password. Visit [www.olatheschools.org/feepayment](http://www.olatheschools.org/feepayment) for more information.

Once you’ve signed in, **select a student.**

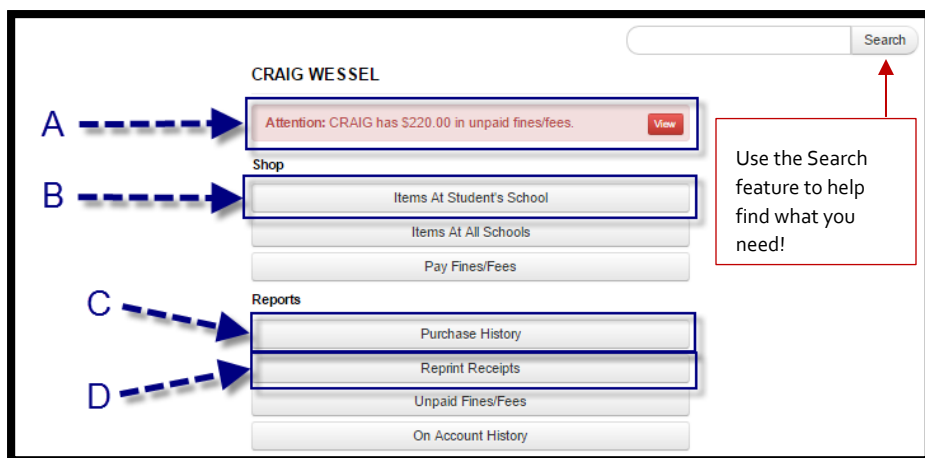

This will display the options shown below for the selected student.

**A Fines and/or Fees** may be present on your student’s account. If your student has a fine/fee on their account, you will see a **RED** notification window – this notifies you to pay any outstanding balances on your student’s account.

**B “Items at Student’s School”** is where you’ll go to browse items available to your student for purchase.

**C “Purchase History”** is an on-demand tool for you to use to track your purchase history. This allows you to confirm prior purchases or confirm payment was delivered by your student.

**D “Reprint Receipts”** is a tool that allows you to print a single receipt rather than your full payment ledger.

Add fines, fees, and any other desired items to the cart.

Click the shopping cart icon at the top right of the screen to complete the checkout process!

## WEBSTORE ITEM EXPLANATIONS

The online payments portal is integrated with many other systems across the district. As a result, the webstore items can be flagged to limit which students can purchase items. Below are examples of what you may see in the webstore, and the reason certain items look the way they do. *These are examples for illustrative purposes only – these are not available items.*

### Buy

An item that's available for purchase in the webstore will display a blue "Buy" button – this means it's available for purchase.

Item	Qty	Amount	
 ASB CARD FEES	1	15.00	<a href="#">Buy</a>

### Sold Out

This notification will display if the quantity has been depleted on an item, or if the item is currently unavailable. *TIP: check the item description – there may be additional instructions for you regarding the item.*

### Pay Fines

This is displayed when an item is marked to restrict purchases for students with outstanding fines on their account. If you click the "Pay Fines" button, this will take you to the fine window where you can add all applicable fines to your cart. Once you've added the fines to your cart, you'll be able to add the restricted item to the cart as well.
