
StudentVUE

Students can access **StudentVUE** three different ways. Students will need to use their **network username and password** (*New in 2020-21 school year*).

1. Via **ClassLink**- Log into **ClassLink** (using network username and password) <https://launchpad.classlink.com/olatheusd233> and click on the **StudentVUE app**

The first time you access StudentVUE through ClassLink, you will need to enter your **network username and password** and Save into the password locker:

A screenshot of a web form titled "Would you like to save your login?". It features the StudentVUE logo and the text "You can save your login for this application to auto login on your next visit". Below this, it says "Fields marked as * are required". There are two input fields: "* Username" and "* Password". At the bottom, there are two buttons: "Skip" and "Save".

Note: When you change your network password, you will need also need to update your Password Locker with the new network password.

2. Via **StudentVUE website**- Log in by going to: <https://studentvue.olatheschools.com/> and select **I am a Student**.

A screenshot of the StudentVUE website's login page. The title is "ParentVUE and StudentVUE Access". There are two main options: "I am a parent" with a family icon, and "I am a student" with a group of people icon. Both options have a right-pointing chevron.

Log in using your **network username and password**

A screenshot of the "StudentVUE Account Access" login form. It has a "Login" title and "Olathe Public Schools" branding. The form includes a "User Name:" field, a "Password:" field, and a "Forgot Password" link. A blue "Login" button is at the bottom. There is also a "Create Account/More Options" dropdown menu and a "ENGLISH | Español" link at the very bottom.

3. Via the **StudentVUE mobile app**: Use **Network username** and **password** credentials

Students may need to enter the StudentVUE district URL: <https://parentvue.olatheschools.com>
