Change to National School Lunch and School Breakfast Program for 2022-23 School Year:

We wanted to make you aware that the federal funding support that has provided school breakfasts and lunches free to students for the past two years came to an end at the end of 2021-2022. With this in mind, please be advised of the following items.

- For the 2022-23 school year, families once again will pay full price for student breakfasts and lunches unless they apply and qualify for free-and-reduced meals through the district's application process.
- The new, federal free and reduced application for 2022-23 will be available beginning July 6 within the Online Registration process. It will also be posted on the district website. Families must apply each year for free or reduced food service, transportation and student registration fees.
- Filling out the federal free and reduced application will be necessary before students will be able to qualify for and access free or reduced breakfast and lunches during the 2022-23 school year.

2022-23 SCHEDULE RELEASE INFORMATION

Schedules will be available on **Friday, July 29th** via:

- Accessing StudentVUE and ParentVUE: If you are using the app, the first time you click on "student schedule" it will be blank until you also click on "semester 1." Then, the schedule will appear on the screen.
- For any student without online access, they may pick up a hard copy of their schedule in the main office between 8:00 AM-12:00 PM or 1:15-3:15 PM the following week. *Students may only pick up their own schedules; we cannot give schedules to students for their friends or siblings.*

Schedule changes will be less likely this year than in past years because we have fewer teachers/classes in our building this year. Please be prepared for the fact that we will most likely not be able to change most students' schedules. Any schedule change or correction requests must be done via **EMAIL TO YOUR COUNSELOR**. Requests will be accepted from **July 29th – August 9th at 3:00 PM**. *This will be the last opportunity for ONW students to correct their first semester schedules and NO first semester schedule corrections will be made after this time.* Please allow 3-5 business days to return your message. Emails are handled in the order they are received during normal school office hours (8:00 AM-3:30 PM). Emails sent after these hours or on the weekend will be returned during school office hours.

SCHEDULE CHANGE GUIDELINES

1. A schedule correction will only be made if a COURSE is being changed or if a first semester hour needs to be filled.
2. **Teacher requests or course hour corrections CANNOT be honored**
3. If a student requests a class during enrollment (initial choice or alternate) and wishes to change that class, the student will have the option to change to another class in that same hour. For instance, if a student requested Business Economics and that class is scheduled for the student during 2nd hour, the student can elect to change that class to another class with openings that is also the 2nd hour.
4. If the student did not request a class during enrollment, more flexibility would be afforded in this situation.
5. The stipulations in numbers 3 and 4 are to preserve the significant amount of work done to create as much balance as possible with respect to the number of students in each class.
6. **Corrections for the 2nd semester will not be done at this time; 2nd semester schedules may be changed beginning in October thru December 9th.**

ANNOUNCEMENTS

****NEW** Student Parking Passes:** Parking passes must be purchased new each school year. If you have purchased a parking pass in Touchbase, you can come into the office and pick it up in Student Services from **8:00AM – 3:00 PM**. *Students* must sign a parking contract in exchange for a parking pass and show their valid Driver's License at pick up.

****The office is closed Friday, July 29th****
