

Olathe Public Schools Help Clinic is offering free mental health services for Summer 2022. The Summer Help Clinic session is open to all Olathe Public School Students, Staff and their Families in June and July.

Services offered will include:

- Individual mental health sessions
- Group mental health sessions for students
- Family therapy sessions
- Parent support groups
- OPS staff wellness groups

Individual, group and family sessions are up to 50 minutes in length and are conducted by Olathe Public Schools Licensed Mental Health Providers as well as Interns in the Marriage and Family Therapy program from Friends University. All sessions are free; minors must attend with a parent/guardian at the first session.

Individual and family sessions are limited to six sessions over the summer. All services will have a limited number of openings and will be assigned on a 'first come first served' basis in addition to clinician availability. A waiting list will be kept when services are full and OPS Help Clinic will work on assigning families as openings become available. Students are welcome to sign up for multiple groups and can attend groups in addition to individual sessions.

When: June 6 –July 28, 2022

- Mondays 10am – 3pm (holiday closures on June 20 and July 4, 2022)
- Tuesdays: 8am – 5pm
- Wednesdays: 9am – 5pm
