EXTRA-CURRICULAR/ACADEMIC SUPPORT (EC/AS) SALARY SCHEDULE LONGEVITY COMPONENT

The rationale for longevity is to recognize experience in specific assignments and to retain staff in those same assignments.

The **BASE Salary** for each Position Group on the Extra-Curricular/Academic Support (EC/AS) Salary Schedule shall be calculated based on the EC/AS assignment percentage for that Group multiplied times the Base Salary of the Certified Salary Schedule.

The **Longevity Components (STEPS)** for each Position Group on the EC/AS Salary Schedule shall be calculated based on the applicable EC/AS Group **BASE Salary** multiplied times the Longevity Step Percentage Factor for the applicable step.

ACCUMULATED EXPERIENCE: In order to be eligible for Longevity Salary, an employee must perform a duty in the exact same assignment (or in the same sport or activity at the same organizational level) on a consecutive basis, from year to year. A change in assignment will result in an employee returning to the applicable EC/AS Group Base Salary

EXCEPTIONS:

An employee will be placed on step 6 (15.5% of EC/AS Salary), when changing from an Assistant to a Head sponsorship or coaching position in the same sport or activity, at any organizational level, after reaching step 10 (28% of EC/AS Salary) in the previous position.

An employee will be placed on step 4 (9.3% of EC/AS Salary), when changing to the exact same assignment at a different organizational level, after reaching step 10 (28% of EC/AS Salary) in the previous position.

An employee will remain on step 10 when changing from Head to Assistant sponsorship or coaching position in the same sport or activity, at any organizational level, after reaching step 10 in the previous position.

An employee will be placed on the next level of longevity when requested by the District to change positions in the same sport or activity at the same organizational level, unless one of the previously listed exceptions is in effect.

An employee will be placed on the appropriate level of longevity based on previous continuous experience in the similar sport or activity when adding or switching to a position in a similar sport or activity at the same organizational level, unless one of the previously listed exceptions is in effect.
